## HUSBAND RESCUED DESPAIRING WIFE

After Four Years of Discouraging  
Conditions, Mrs. Bullock Gave  
Up in Despair. Husband  
Came to Rescue.

Caron, Ky.—In an interesting letter  
from this place, Mrs. Bettie Bullock  
writes as follows: "I suffered for four  
years, with womanly troubles, and during  
this time, I could only sit up for a little  
while, and could not walk anywhere at  
all. At times, I would have severe pains  
in my left side.

The doctor was called in, and his treat-  
ment relieved me for a while, but I was  
soon confined to my bed again. After  
that, nothing seemed to do me any good.

I had gotten so weak I could not stand,  
and I gave up in despair.

At last, my husband got me a bottle of  
Cardui, the woman's tonic, and I com-  
menced taking it. From the very first  
dose, I could tell it was helping me. I  
can now walk two miles without tire  
tiring me, and am doing all my work."

If you are all run down from womanly  
troubles, don't give up in despair. Try  
Cardui, the woman's tonic. It has helped  
more than a million women, in its 50  
years of continuous success, and should  
surely help you, too. Your druggist has  
sold Cardui for years. He knows what  
it will do. Ask him. He will recom-  
mend it. Begin taking Cardui today.
